EW Nutrition showcases customer-focused solutions for the animal nutrition industry at VIV Asia 2023

Singapore (ots) -

EW Nutrition will participate in VIV Asia 2023 to showcase its newest solutions for the animal nutrition industry. "We are constantly innovating to provide best-in-class products and programs. Our participation in VIV Asia 2023 is a good opportunity to connect with our partners over EW Nutrition's tailored solutions for industry challenges," says **Ramakanta Nayak**, regional director for EW Nutrition South East Asia/Pacific.

Located at Hall 2, Booth 3550, EW Nutrition's stand highlights flagship products and initiatives, among which:

- **Ventur D**, a high-ROI, innovative blend of phytomolecules for consistent gut health support and improved performance
- **Protect D**, a natural solution to mitigate Eimeria-related challenges, making it an effective addition to programs focused on coccidiosis control

EW Nutrition will also host "Showtime", a series of topical presentations delivered by key industry experts, providing actionable insights into trends and challenges of the animal nutrition industry. Topics include:

- Why is it important to measure outside temperature properly, 8 March, 11am
- Coccidiosis Vaccination: Don't take it for granted!, 8 March, 3pm
- Antibiotics reduction - the way forward for safe & sustainable food production, 8 March, 4pm
- Feed cost optimization, 9 March, 11am
- Better gut health, better egg shells, 9 March, 3pm
- Water - the central nutrient for growth, 10 March, 11am

About EW Nutrition

EW Nutrition offers animal nutrition solutions to the feed industry. The company's focus is on gut health, supported by other product lines. EW Nutrition researches, develops, produces, sells, and services most of the products it commercializes. In 50 countries, key accounts are served directly by EW Nutrition's own personnel.
